

# Yellow Out

## Urine Stain Remover

### Description

This product eliminates the problem of pet stains and the associated odors utilizing **peroxide** technology, which will break down the urine structure therefore eliminating the stain and odor associated with it all together.

### Directions for Use

Thoroughly clean stained area first. If stain remains after cleaning apply this product full strength directly on the stain. It can take several hours for the chemical action of Yellow Out to completely remove the stain. If the stain is still visible after 8 hours, repeat the treatment.

This is a Peroxide based product and is safe on colored fabrics but pretest the product in inconspicuous area for colorfastness before applying large area.

### Safety Cautions

- Keep out of reach of children
- Prior to using this or any cleaning product, make sure employees read and understand the hazard information found on the product label and Material Safety Data Sheet (MSDS). The label and MSDS will also provide information on handling precautions, protective equipment and first aid instructions which might be appropriate for this product.

### Features & Benefits

- Safe on fabrics and carpets
- Effective on Urine Stains and Odors
- Odorless
- No water extraction needed afterward

### Specifications
